

NXT Energy Solutions Inc. Announces Management Change

CALGARY, ALBERTA, AUGUST 24th, 2016 – NXT Energy Solutions Inc. (“NXT Energy” or the “Company”) (TSX:SFD; OTC QB:NSFDF) announces that Mr. Andy Steedman has ceased to serve as the Company’s Vice-President Operations, effective Wednesday, August 24th, 2016. Mr. Steedman will remain with the business as Special Advisor.

NXT Energy is a Calgary based company whose proprietary Stress Field Detection (“SFD®”) survey system utilizes quantum-scale sensors to detect gravity field perturbations in an airborne survey method which can be used both onshore and offshore to remotely identify areas with exploration potential for traps and reservoirs. The SFD® survey system enables our clients to focus their hydrocarbon exploration decisions concerning land commitments, data acquisition expenditures and prospect prioritization on areas with the greatest potential. SFD® is environmentally friendly and unaffected by ground security issues or difficult terrain, and is the registered trademark of NXT Energy Solutions Inc. NXT Energy provides its clients with an effective and reliable method to reduce time, costs, and risks related to exploration.

Forward-Looking Statements

This news release may include forward-looking statements. When used in this document, words such as “intends”, “plans”, “anticipates”, “expects” and “scheduled”, are forward-looking statements. Forward-looking statements are subject to a wide range of risks and uncertainties, and although the Company believes that the expectations represented by such forward-looking statements are reasonable, there can be no assurance that such expectations will be realized.
